Welcome to AISHE

To portray the status of higher education in the country, Ministry of Education has endeavoured to conduct an annual web-based All India Survey on Higher Education (AISHE) since 2010-11. The survey covers all the Institutions in the country engaged in imparting of higher education. Data is being collected on several parameters such as teachers, student enrolment, programmes, examination results, education finance, infrastructure.

Indicators of educational development such as Institution Density, Gross Enrolment Ratio, Pupil-teacher ratio, Gender Parity Index, Per Student Expenditure will also be calculated from the data collected through AISHE. These are useful in making informed policy decisions and research for development of education sector.

Respected Sir / Madam,

Thank you, very much for the opportunity to deliver on our promises & allow you to experience firsthand benefits of working with Biyani Technologies. We are confident that you will be satisfied with the services that we offer.

The best performers in business don't hide behind their desks; they know that business is all about connecting people. It is our goal to not only meet your expectations but to exceed them. We are proud of our facility & our commitment to excellence.

As your needs change will be happy to help you evaluate those needs & offer you the services that will help you achieve your new goals. For anything to be discussed regarding Software Services, changes, designs, etc kindly write an email at the following address. And your queries will be replied and attended.

tasengineer.biyani@gmail.com

customerservice@biyanitechnologies.com

Or any kind of suggestion about our services or any further discussion with the company you can directly drop an email at the following address

info@biyanitechnologies.com

biyanitechnologies@gmail.com

Our alternate support helpline numbers are (9:00 am till 8:00 pm):

9850819973, 0231-2526373

First step of solving the problems will be on telephone where a support person will guide you about the problems and the method to solve it.

Second step of solving the problems will be with the help of team viewer through internet services. By which even you can see how the engineers rectify the problem and at the same time communication can also be done on both sides even.

Third step of solving the problems is by calling to our office where the support co-ordinator or the support executive will inform you a token number which will be referred to the issues you faced. The next time you call us refer to that token number to understand the present status of your work.

We always strive to provide you the best services. Kindly confirm the receipt of the mail.

Thank you & Regards

Biyani Technologies

e-Governance

(REPORT: 2021-22)

e-Governance in the institution allows use of ICT with an aim to improve internal communication and to promote transparency and accountability and to reduce the operational cost and save time. The operational e-Governance helps in various functions in an integrated manner in the areas of Academics, Administration, Finance & Accounts, Library and others. In the year 2021-22, an amount of Rs. 29,000/- has been spent for annual maintenance of software.

(1) Academics and Administration:

There is an availability of 100Mbps Broadband connection with Wi-Fi connectivity in the campus. The 'Biyani Technology Software' has been subscribed for office automation and the Library has subscribed SOUL 3.0 Software.

- The Student Admissions, monetary transactions (Receipts and Payments) and retrieving of data is being done using the above mentioned softwares.
- The academic sessions were conducted online and offline, simultaneously in the pandemic situation, for all UG classes (theory and practical) using Zoom Meetings, Google Meet and Google Classroom Platform.
- Student's portal facilitated the submission of Admission Forms, Data Circulation, issuance of different Certificates and generating various reports etc.
- WhatsApp Group has been operationalized for dissemination of information and communication under mentor-mentee.

(2) Finance and Accounts:

There is 'Biyani Software' subscribed for office automation. It helps automation of student admission procedures and maintenance of student profiles, general administration, Finance and Accounts, etc. e-cashbooks, generates receipts and different financial reports. The administrative office maintains the reports and books of accounts generated from the 'Office Automation Software' for auditing procedure.

(3) Library:

To address different serveries and issues, and to serve its users better, the library has internally evolved a system by leveraging smart technology that assured, ensured and generates library resources and a user-friendly online service from anywhere and anytime, a system that compliments, supplements and strengths the existing offline service resulting to optimizations of library services. It has subscribed SOUL 3.0 Software. The Library Web Portal, its Android App, QR Codes used to access the library e-Resources and online services. The users can reach and get access to the specific information resources and service in a very short time with the help of the above interfaces.

(4) Examinations:

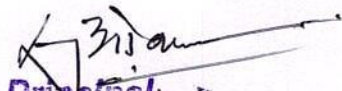

The Examination Department of the college is equipped with ICT tools necessary for conduct of examination related activities. The e-Governance in university examinations is observed with the University Software. The College examination (Part I & II) is conducted with the help Biyani Software designed and developed by Biyani Technology, Kolhapur.

The examination related activities include:

- Generation of Examination forms and Hall tickets
- Question Papers through Secured Remote Paper Delivery (SRPD) System.
- Results, Revaluation through online mechanism.

(5) Others:

- Circulation of Meeting Agendas through WhatsApp Group.
- Conducting meeting using Google Meet/Zoom Meeting Platform.
- Disseminating important notices and announcements using institutional website.
- Online mode of Feedback forms and Grievance Redressal System.
