Type of Institution: Multiple discipline	
Discipline(s):	OVERALL, COLLEGE (GENERAL DEGREE COLLEGE)
Institute Information	
Institute Name: : Arts and Commerce College, MAYANI	

Full Address : At & Post Mayani, Taluka - Khatav, District - Satara Pin - 415102 , Maharashtra , Satara , 415102		Year of Establishment:		1991
About Institute:	<p>Arts and Commerce College, Mayani was established in June 1991 with a vision to spread higher education in the drought-stricken, rural, hilly students and to develop their overall personality. Before establishment of the higher education institute in Mayni, it was much difficult to the youths from Mayani and the adjoining villages to go to the nearest cities like Aatpadi (40 kms), Vita (22 kms) Karad (52 kms), Dahiwadi (32 kms) or Satara (80 kms) to seek admissions. Furthermore, the female students were completely deprived from higher education but the establishment of this college proved something like oasis in the drought prone area. Today, this college is running two faculty viz. Faculty of Humanities (1991) and Faculty of Science and Technology (2016) along with different Certificate and Add-on Courses. The college has been permanently affiliated to Shivaji University, Kolhapur and also received the 2 (f) and 12 (b) recognition from the UGC in 2012. Moreover, it has under gone one cycle of accreditation under National Assessment and Accreditation Council, Bangalore with the CGPA of 1,83 in 2009. The college has played a vital and significant role in uplifting social, cultural and educational life of youths and to shape them as builders of india. Being this rural and drought stricken area, ours dropout rate of students from higher education is bit more and is a great concern for us. The students are frequently diverted to farming, daily wages, marriages, etc. However, Mayni Bhag Shikshan Prasarak Mandal and Arts and Commerce College Mayani are consistently putting their efforts in retaining the students since its establishment. The college is consistently put in its efforts to maintain the quality and value based education.</p>
