**Report of Workshop on Nature of Competitive Examinations and Preparation of Interview**

Initially, the committee of competitive examinations and placement cells discussed the topic with the principal, and the principal decided to organize a one-day workshop on the above-mentioned topic. There are many NGO's working in this field, and the government of Maharashtra has taken many steps for the welfare of the students preparing for competitive examinations. It was decided that Mr. Vikas Deshmukh and Mr. Pathare, who have been working in this field through an NGO, would be invited as resource persons for the workshop. The workshop was held on September 27 in the seminar hall of the college. A total of one hundred and sixty-five students and faculty members participated in it. Dr. Hemangini Mane, coordinator of the committee, introduced the program, and principal Dr. Sayajiraje Mokashi felicitated them. The chief guest, Mr. Vikas Deshmukh, spoke on nature and preparation for competitive examinations. He said continuity, deep study, and confidence give bright success to students now that there is no gap between rural students and students from city areas. Many books are available. He also recommended some biographies of notable people. Mr. Pathare talked about the preparation for the interview. Presentation skill and command of three languages are very important to interview success. Both resource persons conducted an interactive session with students about their doubts and queries with respect to competitive examinations. Principal Dr. S.A. Mokashi guided the students in his presidential address. The workshop ended with a vote of thanks proposed by Prof. S.C. Mali.
