Our alternate support helpline numbers are (9:00 am till 8:00 pm):

#### 9850819973, 0231-2526373

First step of solving the problems will be on telephone where a support person will guide you about the problems and the method to solve it.

Second step of solving the problems will be with the help of team viewer through internet services. By which even you can see how the engineers rectify the problem and at the same time communication can also be done on both sides even.

Third step of solving the problems is by calling to our office where the support co-ordinator or the support executive will inform you a token number which will be referred to the issues you faced. The next time you call us refer to that token number to understand the present status of your work.

We always strive to provide you the best services. Kindly confirm the receipt of the mail.

Thank you & Regards
